NORTH CENTRAL WASHINGTON FAIR RECREATIONAL VEHICLE AND CAMPING RULES

The North Central Washington Fair areas for recreational vehicles and camping are intended to accommodate fair participants and patrons during August of each year. The recreational vehicle area may be available for use during other times of the year. These areas are not intended for short-term or long-term residential use. By using the areas for recreational vehicle parking and camping, you agree to the following rules.

1. Daily use fees, based upon the length of your intended stay, *must be paid in advance*. If you do not pay the daily use fees in advance, your use of the area will be immediately revoked.
2. Your use may not exceed fourteen (14) consecutive days.
3. Quiet time is from 9:00 pm to 7:00 am and, *during the Fair, quiet time is 10:00 pm to sunrise*. You must keep noise to a minimum during these hours. Noise during quiet hours will not be tolerated and will be grounds to immediately revoke your use of the area. ***You may not use air conditioner units during the Fair in Front Lot Spaces A-X of Back Lot Spaces 1-32. Air conditioning units may be used in Front Lot Spaces Z 1-14 during the Fair.***
4. Your assigned space must be kept clean and neat. Garbage and litter may not be accumulated, must be picked up promptly and must be placed in proper trash receptacles.
5. You may only use your assigned space. Parking in or use of any other space is prohibited, even it appears the space is not being used. Excess vehicles must be parked in the Fair parking lot area. Recreational vehicle tip-outs may only be extended if the tip-out does not extend past the assigned space and leaves sufficient space for neighboring users to get in and out of recreational vehicles comfortably.
6. **Children must be supervised at all times.** Children may not be left unsupervised in any recreational vehicle or at any campsite. There must be at least one authorized, supervising adult staying with children in your recreational vehicle or at your campsite during evening hours and overnight. Children may not play in or around other user's vehicles or campsites, or play on fairground property when the Fair is closed. You will be held responsible for any damages caused by your children.
7. You are responsible for your guests, their children and pets. Your use of the area may be immediately revoked if your guests, their children or their pets violate these rules.
8. The vehicle speed limit in and around the areas is 10 mph. *The speed limit during the Fair is 5 mph.* Speeding will not be tolerated and will be grounds for immediately revoking your use of the area.
9. **Dogs, other than a service animal or show animal, are not allowed in the area unless prior approval is obtained.** All dogs must at all times be kept on a leash or inside your recreational vehicle. Dogs may not be left tied up outside your recreational vehicle or at your campsite unsupervised. Dog droppings must be immediately picked up and disposed of in proper trash receptacles. Continuous barking, aggressive behavior, or the failure to follow the above rules relating to dogs will be grounds to immediately revoke your use of the area. You will be held responsible for any damage caused by your dog.

10. You may not place freezers, refrigerators or other appliances outside your recreational vehicle or in your camping space.

11. You may not use the area to repair a vehicle.

12. **Use of open fires, fire pits and charcoal grills is prohibited.** Use of self-contained gas grills is allowed.

13. The Fair does not provide security at the recreational vehicle and camping areas. You **assume all risks of loss, damage to or destruction of your vehicle(s) and other property**, including loss of use resulting therefrom, whether by fire, explosion, theft, vandalism, the elements, collision, or acts or omissions of the County or the Fair, their employees, agents and volunteers, or resulting from any other cause. **You waive all claims of subrogation by your insurance companies. You agree to indemnify, defend and hold the County and the Fair, their appointed officials, employees, agents and volunteers, harmless** from and against any and all claims, damages, losses and expenses for any bodily injury, sickness, disease, or death, or any damage to or destruction of property, including the loss of use resulting therefrom, which are caused in whole or in part by your act or omission or caused by the use or condition of your vehicle(s).

14. If your use of the recreational vehicle area or camping area is revoked, then you must immediately remove all motor vehicles, recreational vehicles, tents and other property. **Motor vehicles, recreational vehicles, tents and other property not removed immediately will be involuntarily towed/removed and impounded at your expense.**
